Ref.No. PISB3/CIR/3/2020-21

3 December 2020

Dear Parents,

Greetings from PIS, Kalkere!

As we have stepped into term II of 2020-21 we continue with the new norm of online classes and are ready with next round of online exams for this term for children of **grade III-VIII only**. Please note the following details regarding the same and kindly ensure that your children participate in it with full honesty and integrity for their own good.

1. The exams will be available on scheduled dates on between us. A detailed video on the same will be shared with you all again. Kindly watch it with your children to recall understand the process if necessary.
2. It has a window spread from 7 a.m. to 7 p.m. on the identified days as per time-table to facilitate maximum participation. Still, since there is stipulated time to complete the exam once started, we recommend adhering to well in time method to avoid last minute confusions before submission. If in case children face any problem they can reach out to the class teacher with their concerns.
3. Students must send a message to teacher as soon as they finish the exam.
- 4. Periodic Test will be conducted from 15 Dec. to 23 Dec. 2020**
- 5. Christmas vacation is from 24 Dec. to 27 Dec. 2020**
6. Portion list is shared with all children. Time-table will be shared today by the teacher.

Please ensure that children complete all required assignments related to them and submit before the assessment to the teachers. That will help them prepare for assessment as well. As mentioned before, all required submissions like class work, home-work and worksheets will be considered for internal assessments. Children have been given many options to submit their work.

We are glad that parents are supporting us to help their children take up their work at hand with seriousness and with honesty. Parents are requested to encourage independent work from their children and refrain from prompting them with answers/clues during assessments. This will enable them to grow independent with integrity. We would also request children to participate in the various co-curricular activities shared with them.

Wishing all children all the success in attending to their assessments.

Prayers for health and safety for all. Hoping to receive back children in school for physical schooling at the earliest.

**NOTE: On parents request 10% discount on payment of full fee is extended over next 2 weeks. Parents who are yet to pay fees are requested to take benefit of this and make payment at the earliest. Contact office for details.**

Regards,

PRINCIPAL
