

## **Guidelines for Selection or Election of Student Council Members**

- IQ test for the students who wish to nominate themselves for student council members.
- Test should be based for leadership qualities or creativity. It can be written test or oral test.(Panel Interview)
- Students nominating themselves should be smart enough to take the challenges.
- Best 3 students should be selected based on the test conducted.
- Selected 3 students should deliver a speech emphasizing on their role after being elected or selected.
- Students should also mention the change that they can bring after being selected or elected.
- Voting should be done for the selected students.
- Students from grade 5 to 10 should be allowed to vote.
- If there is a tie, then the head of the institute can decide the candidate.
- Decision taken by the principal will be the final.
