

Teacher Training list (Inhouse /CBSE Training list)

| Sr.No. | Empolyee Name | Topics | No. of Days |
|--------|------------------------|---|-------------|
| 1 | Anway Arun Chikate | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur chatra vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life,Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes,Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning,Classroom management | 6 |
| 2 | Ganesh Vijay Kakade | In house Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,vaccination precaution and care,Mathematics in daily life,experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes,mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning,Classroom management | 6 |
| 3 | Amol Ashok Palekar | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life,Experiential leraning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes,Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning,Anger free School,Happy Teacher creates Happy cladsroom,stress Managment Techniques | 5 |
| 4 | Madhumati Kishor Mulik | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life,Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 4 |
| 5 | Swati Arvind Nangare | In house Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,vaccination precaution and care,Mathematics in daily life,experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes,mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 5 |
| 6 | Anil Vasant Bhosale | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,vaccination precaution and care,Mathematics in daily life,experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes,mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 4 |

| | | | |
|----|----------------------------|---|---|
| 7 | Pradnya Rahul Deshmukh | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experientail leraning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |
| 8 | Seema Netaji Shelke | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning, Classroom management | 3 |
| 9 | Shweta Jayaprakash Bhosale | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |
| 10 | Vahida Hanif Modi | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |
| 11 | Bhakti Saurabh Jadhav | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |
| 12 | Savita Dinesh Salunkhe | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |

| | | | |
|----|--------------------------|---|---|
| 13 | Smita Ranjit Jagdale | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning, Teaching Strategies in Hindi, Focusing on Competency Based Education, Hindi Bhasha me Lekhan tatha Sahitya-Srujan | 4 |
| 14 | Sunita Jayprakash Shinde | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |
| 15 | Sushma Vikas Chavan | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 5 |
| 16 | Amol Mahadev Gavade | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |
| 17 | Arun Baban Koli | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning, Classroom management | 4 |
| 18 | Jasmin Salim Inamdar | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 4 |

| | | | |
|----|--------------------------------|---|---|
| 19 | Abhijit Ashok Kulkarni | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 4 |
| 20 | Megha Satish Mahajan (Zarekar) | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom,Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning,Happy teacher creates happy classroom, Blended learning,Gamification, story telling,Classroom management | 4 |
| 21 | Sheetal Manoj Shinde | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning,Classroom management | 4 |
| 22 | Dnyaneshwar Vijay Vanarase | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 3 |
| 23 | Imampasha Kachrusab Shaikh | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 4 |
| 24 | Pradip Sambhaji Salunkhe | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 4 |

| | | | |
|----|--------------------------|---|---|
| 25 | Sachin Namdeo Talole | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 3 |
| 26 | Devaki Santosh Thorat | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning ,education for peace.,Anger free Schools ,socio emotional needs of students ,Management of digital learning ,Classroom management | 4 |
| 27 | Somnath Kalyan Bhargande | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 3 |
| 28 | Megha M Pawar | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 3 |
| 29 | Shivprasad Kondi | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 4 |
| 30 | Tejas Kulkarni | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 4 |

| | | | |
|----|----------------------------------|--|---|
| 31 | Shrikant Lavate | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 4 |
| 32 | Smita Patil | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 4 |
| 33 | Sujit Chopade | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |
| 34 | Soyaf Devale | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |
| 35 | Vishal Kokate | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |
| 36 | Ranjana Hanmant Chavan (Jagdale) | Inhouse Training sessions:- Multiple Intelligence, Joyful Mathematics, Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas, Mind fresh and relaxation hacks, Value based learning, scheduling google meet, Vaccination- Precaution and care, Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students, set inductions strategies, Right to education(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes, Communication - importance, Python, Strategies for Happy Classroom, Learning from mistakes, Mindfulness, Know your teaching style ,Application of life skills in day to day life, Digital learning | 3 |

| | | | |
|----|-----------------------------|--|---|
| 37 | Hemant Kishor Pawar | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 4 |
| 38 | Shridhar Madhukar Desai | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning,Classroom management | 4 |
| 39 | Tejaswini Vaibhav Deshpande | Inhouse Training sessions:- Multiple Intelligence,Joyful Mathematics,Importance of gratitude, Art integration in science, Bhasha Kaushal prakar aur student vikas,Mind fresh and relaxation hacks,Value based learning,scheduling google meet,Vaccination- Precaution and care,Mathematics in daily life, Experiential learning, Teaching Methods(Total session-08) , Story telling classroom, Addressing Soci-emotional Needs of students,set inductions strategies, Right to eduction(RTE), NEP Webinar, Cyber Safety seminar ,English pronunciation and common mistakes,Communication - importance,Python,Strategies for Happy Classroom,Learning from mistakes, Mindfulness,Know your teaching style ,Application of life skills in day to day life,Digital learning | 3 |
