Competition Rules and Regulations:

For Inter-School competition

- Each Class will have minimum 4 teams participating in the competition, 1 from each grade (V to VIII)
- Each team will have 2 members (students) to represent the project in the host school.
- Each team will carry the project model to the school and set up the same on the respective tables allotted by the school.
- The entire competition will be judged by the Judges with the following expertise.

Rubrics for Evaluation:

Criteria	Marks
Originality (How original or innovative the project is)	5
Design (Appropriate scale and proportion of 3D objects)	5
Printing (Quality and finishing of 3D objects)	5
Purpose (How well its application is demonstrated)	5
Aesthetics (Appearance or looks of the final project)	5
Total Marks	25

- Average points of all three judges will be calculated to decide the winner.
- Each standard will have a Winner Prize.
- Trophy and certificates will be awarded to the winning teams.

We wish you all success.
