## Sports Day 2022 'Udaan'

*"It's not whether you get knocked down, what matters is whether you get up."*

Sports, and being a sport is very important to inculcate discipline as an integral part in everyone's life. Podar International School Mangalore had celebrated its 5th Annual Sports meet 'UDAAN -2022' on 12 November 2022 .

It was a privilege to have Mr. Kiran Kumar corporator of Bangra Kulur and Mr. Premnath Ullal an International Kabaddi Referee and Rajyotsava awardee as Chief guests and Guest of Honor respectively. The guests and parents were cheerfully welcomed by the tiny tots of Podar Jumbo Kids. The Student Parade by the 4 Houses – Aqua, Ignis, Terra and Ventus showcasing the Strength, Unity and Inter House Challenge; was led by the sport's captain Mstr. Mohd. Musaddiq of grade IX and Ms. Sakshi Singh of Grade X , who marched with zest and strength to prove their unity and uniformity. The Olympic torch was lit by the Guest of Honor and handed over to the students who marked special achievements to carry it around the school premises. Upon taking the oath administered by The Sports Captain, Sports Day 'Udaan-22' was declared open by the Guest of Honour Mr. Ullal. Students buckled up to display their skills, coordination and flexibility through their dances and drill display. The Chief Guest voiced his thoughts about the role of sports in everyone's life and encouraged students to enroll in sports activity along with academics at a tender age. Events were conducted on the sports day for the students and they were awarded with certificates and medals. Parents also actively participated in the fun games organized. Lastly, the event wound with lowering the school flag and singing the national anthem.

## *Fly in the Sky*

*When I look up at the bright blue sky  
And see the birds that soar up high  
I feel I want to grow wings and fly  
Up in the cloudless sky  
It would be just so fun  
To gaze at the blazing sun  
And the twinkling stars  
Located so far  
I would be happy and very gay  
If I flew to the sky for just a day !!*

## My DESIRE

Chandu and Akash were brothers. They used to sleep in the same room and in the same bed. Before going to bed, every night they used to play a game. The name of the game was 'My Desire'.

One day Chandu started the game and said I wish I had a blue fairy with me. A blue fairy? But why? asked Akash. So that with his magic wand, he would make all my work easy, replied Chandu. Oh! Now I have understood. You are talking about your homework. You don't like doing homework, isn't it? Said Akash smiling.

Ok! Akash tell me what your wish was, asked Chandu. Oh! I wish for snow all night. All around there is snow and snow. Both of us would play in the snow and make snow balls. Just then mummy came in. She said, Oh! Both of you are still awake. Go to sleep immediately. Chandu and Akash said good night to their mother and that night they really dreamt that there was snowfall everywhere.

## My Journey to New York City

New York City is a universally known city. With 59 billionaires and 345,600 millionaires, New York stands as the richest city in the world by 2022. It is also home to the world's two largest stock exchanges by market cap and imagine me visiting one of the richest cities in the world.

On 6th late evening me & my family left for NYC (New York City in short) from Tampa, Florida on JetBlue flight at 6 pm. We reached our pre-booked rooms by taking a cab. It was late at night so we had a great sleep on our comfy beds.

On the 7th morning we got ready for a pre-planned long day. We walked towards the subway which is said to be inaugurated in 1904. Upon reaching lower Manhattan we took a cruise toward the infamous Statue of Liberty given as a gift by France which took almost four months to rebuild on the island. It was built by Auguste Bartholdi on the year 1876.

We then went to the Charging Bull which was built by an Italian-American Arturo Di Modica with his own money in 1989. As it was afternoon and everyone was hungry we walked to Chipotle, a Mexican restaurant, and had our lunch. We then went to the "Edge" opened on the 100th floor of the 30 Hudson Yards skyscraper in New York on March 11, 2020, officially making it the highest outdoor observation deck in the Western Hemisphere at 1,131 feet tall.

By the time we were done with the "edge" building we had to visit a building built at an astounding height of 1244 feet tall, the "Empire State Building". We went all the way to the top and took some photos. It was about 9 pm and everyone was hungry again. We decided to visit a place after dinner.

At 10 pm we reached the sheer amount of theaters along Broadway, in Lincoln Center, and the Theater District. You can catch award-winning plays and musicals all year long. The area is busiest during annual festivities, especially New Year's Eve called "The Times Square". After this we went to our rooms via subway early in the morning at 1am, and had a great sleep again.

Again on the 8th morning we had our breakfast, walked towards the subway and visited the Brooklyn Bridge the longest suspension bridge in the world-by far.

After this we visited China Town which was a bad experience for us. We had our lunch at Chipotle and visited one of the biggest stock exchanges markets, the "World Trade Center" from the outside. We also visited the 9/11 memorial. A tragic incident ever occurred. About 3,000 people were killed, 1,000 injured. The plane attack on the twins of the World Trade Center.

This was the end of my journey to NYC. It was an amazing experience for me. Especially the underground subway. I became a really good navigator in just 2 days of my visit to NYC.

## ಶಿಕ್ಷಣ

ಇದು ಸ್ಪರ್ಧಾತ್ಮಕ ಯುಗ. ಜೊತೆಗೆ ಜ್ಞಾನದ ಯುಗವು ಹೌದು. ಇಲ್ಲಿ ಜ್ಞಾನಕ್ಕೆ ಮುಖ್ಯವಾದ ಬೆಲೆ ಇದೆ. ಒಳ್ಳೆಯ ಜ್ಞಾನ ಒಳ್ಳೆಯ ಶಿಕ್ಷಣದಿಂದ ದೊರೆಯುತ್ತದೆ. ಶಿಕ್ಷಣ ಮಾನವನ ಪ್ರಗತಿಗೆ ಬುನಾದಿಯಾಗಿದೆ. ಶಿಕ್ಷಣದಿಂದ ಒಬ್ಬ ವ್ಯಕ್ತಿ ಜೀವನದಲ್ಲಿ ಉತ್ತಮ ಬೆಳಕು ಕಾಣಬಹುದು. ಹಾಗೂ ಮಾನವೀಯ ಮೌಲ್ಯಗಳನ್ನು ಕಾಣಬಹುದು.

ಶಿಕ್ಷಣದಲ್ಲಿ ಆಸಕ್ತಿ ಇರುವ ಎಲ್ಲರಿಗೂ ಗುರುವೊಬ್ಬರು ಬೇಕು. ಹಾಗೆಯೇ ತಂದೆ ತಾಯಿಯೇ ನಮ್ಮ ಜೀವನದಲ್ಲಿ ಮೊದಲ ಗುರುಗಳು. ಅದರಂತೆಯೇ ಶಾಲೆಯಲ್ಲಿ ವಿದ್ಯಾ ಕಲಿಸುವ ಶಿಕ್ಷಕರು ನಮ್ಮ ಎಲ್ಲಾ ಸಮಸ್ಯೆಗಳೂ ದಾರಿದೀಪವಾಗಿರುವರು.

ನಮ್ಮ ಉಜ್ವಲ ಭವಿಷ್ಯಕ್ಕಾಗಿ ಶಿಕ್ಷಣವು ಒಂದು ಪ್ರಮುಖ ಸಾಧನವಾಗಿದೆ.

कोई फर्क नहीं पड़ता कि मौसम क्या हो सकता है, बारिश का दिन भी बहुत राहत और आराम देता है और हमारी आत्मा को शांत करता है। बरसात के दिनों का आनंद लेने के लिए कोई आयु सीमा नहीं है। लगभग हर उम्र के लोग समान रूप से इसका आनंद लेते हैं। इस प्रकार, कई कारणों से बारिश के दिन बहुत महत्वपूर्ण होते हैं।

सभी जीव, जंतु, पक्षी, इंसान, पेड़, पौधे सभी को बरसात की आवश्यकता रहती है। सभी के लिए बरसात बहुत ही आवश्यक है। बारिश की वजह से ही सब को पानी मिलता है। पेड़ पौधों में नहीं जाना जाती है क्योंकि तेज धूप के चलते पेड़ पौधे मुरझा जाते हैं परंतु बारिश के आते ही खिल जाते हैं।

बरसात के मौसम में वातावरण ठंडा और हरा-भरा हो जाता है। कभी कभी अधिक बारिश होने के कारण फसलों को नुकसान भी होता है। आवश्यकता से अधिक बारिश हो जाने पर नदियों का जलस्तर बढ़ने से बाढ़ आते हैं। बरसात के समय में नमी हो जाती है जिससे वायरस व बैक्टीरिया कई रोग फैला सकते हैं।

उसी प्रकार से पर्यावरण के संचालन के लिए गर्मी शीत और बारिश का होना अत्यंत आवश्यक है। इसके बिना पृथ्वी पर सभी जीव जंतु पौधे वनस्पति इंसान आदि का जीवन जीना संभव ही नहीं है। बारिश पृथ्वी और पर्यावरण के लिए अमृत के समान होती है। बारिश से ही गर्मी से तपती हुई धरती की प्यास बुझती है। वर्षा तीन प्रकार की होती है :

- संवहनीय वर्षा (Convictional rain)
- पर्वतकृत वर्षा (Orographical rain)
- चक्रवातीय वर्षा (Cyclonic rain)

निष्कर्ष: वर्षा ऋतु के कारण लोगों के पूरे जीवन में हर्षोल्लास की लहर दौड़ती है, वर्षा ऋतु पृथ्वी पर रहने वाले सभी लोगों के जीवन के लिए अमृत का काम करती है। खेतों में लहराती फसल का मनमोहक नजारा बहुत ही मनमोहक होता है; चारों ओर हरियाली देखकर सभी को मन की शांति मिलती है।

## Personal Development! WHY SELF-ESTEEM IS IMPORTANT?

Self-esteem is how we value and perceive ourselves. It's based on our opinions and beliefs about ourselves, which can feel difficult to change. Self-esteem impacts your decision-making process, your emotional health, and your overall well-being. It also influences motivation, as people with a healthy, positive view of themselves understand their potential and may feel inspired to take on new challenges.

People with low self-esteem tend to feel less sure of their abilities and may doubt their decision-making process. They may not feel motivated to try novel things because they don't believe they can reach their goals. Those with low self-esteem may have issues expressing their needs.
