Overall review:-

We are able to cope up with the situation because of genuine and timely support of the management and parents.

Overall the Session 2020-21 and 2021-22 were challenging for everyone including parents, teachers. But new technologies have been introduced by the management for timely implementation and support. All teachers are well equipped with the digital tools and technology usage. Many new innovations have been introduced in the teaching and learning process. Even the students understand many new concepts and methods of teaching and learning.
