## From the Principal's Desk

***“Success comes to those who work hard and stay with those who don't rest on the laurels of the past.”***

**E**ach school has its own **ethos, traditions and identity**. Podar International School fosters an atmosphere of truth, love and respect for each student as the basis for sound education. At Podar International School we **mould, stimulate and built character**.

School years are crucial for the development of good habits and character which are the building blocks of excellence. The love of learning, the quest of success, the responsible use of freedom, personal integrity and the willingness to help to improve society are especially important. These tools are essential to **empower the student to be a excellent professional and a mature and responsible citizen**.

Podar International School always strives to provide opportunity to each child to explore his/ her own capabilities and area of interest by providing him/her a number of activities both curricular and co-curricular which will give an **All Round Development**.
