Structural Stability Certificate
To whom it may concern

I, the undersigned Shree Harsora Dipak Manharlal residing at 6/2233, Hawadasheri, Mahidharpura, Surat, having 24 years' experience, after graduation in civil engineering, declare that I have been appointed as Structural Engineer for the proposed construction for the development on **B. NO 124/B, SIMADA, SURAT.**

I have personally visited the site and to the best of my knowledge and experience, I declare that the existing structure of the above property is structurally sound to take the loads of proposed use for Education School building. Height of the building is as per approved plan. The structural design of the said buildings incorporates provisions of relevant codes of practice [i.e. IS-456, IS-875; part-2]. Design of above buildings are safe up to the limit prescribed in relevant codes. Construction works of the buildings are structurally completed and they are safe for their intended use as educational use. Certificate given here from us are for completion of structural work, it has no concern with completion of civil work of building services as a whole.

Change/alteration of any kind i.e. change of use of building, altering wall positions or any alterations involving structural configurations shall not be done without our prior permission.

Buildings under consideration shall be well maintained in all respect & rehabilitation work shall be done if necessary. This stability certificate is valid for the present condition of structure and if they are well maintained in future.
