

Annual Report 2023-24: A Year of Growth and Achievements

A brief overview of our exciting journey throughout the academic year 2023-24.

Year Commencement:

We kicked off the academic year on April 6th, ensuring a smooth transition with informative orientations for both existing and new parents.

Highlights:

- Engaging morning assemblies became a hub for inspiration, featuring prayers, updates, and student talents.
- Special assemblies celebrated various occasions, from literary events to national festivities.
- The Investiture Ceremony marked the appointment of our student leaders, embracing responsibilities with pride.

Student Council and Discipline:

- Our student council played a pivotal role in shaping the school discipline policy, fostering a sense of responsibility.
- Monthly meetings with the council addressed various aspects, ensuring a collaborative effort in maintaining discipline.

Educational Excursions:

- Field trips to D-Mart, Nineplast Factory, and IDBI Bank enriched our students' learning experiences.
- An educational picnic to Raman Science Center added a hands-on touch to scientific exploration.

Festivals, Workshops, and Competitions:

- Vibrant celebrations of Ganesha, Janmashtami, Diwali, Independence Day, and more created a festive school atmosphere.
- Workshops, including a Ganesh making workshop, nurtured practical skills.
- Inter-house competitions, from debates to robotics, showcased the diverse talents of our students.

Academic Achievements:

- Successful completion of PT1, Half Yearly, PT2 and Final Year exams demonstrated our students' dedication.
- External exams like SOF, Aryabhata Ganit Challenge, and NASO saw commendable achievements.

Innovation and Extracurricular:

- The Innovation Lab introduced robotics, encouraging creativity and problem-solving.
- The 3D Showcase competition emphasized collaboration and creative skills.

Community Outreach and Social Responsibility:

- Active participation in the Podar Volunteer program showcased our commitment to social causes.
- Entrepreneurial activities helped us contribute to Snehalaya Ashram.

Sports and Achievements:

- DSO tournaments highlighted our students' achievements in badminton, baseball, roller skating, karate, and more.
- Victories at various levels brought recognition and pride to our school.

Other Celebrations:

- Thematic weeks integrated subjects for grades 1 and 2, fostering interest and real-world connections.
- Events like Math Week, Patriotic Week, and Science Week added dynamism to our curriculum.

Meetings and Safety Measures:

- Regular meetings for boys and girls welfare committees, PTA, and safety audits ensured a collaborative and safe environment.
- Successful fire evacuation drills maintained the safety of our students and staff.

Believe in your infinite potential; it's the key to unlocking success.

A heartfelt thank you to all parents for entrusting us with their children's education. Our commitment to providing quality education remains unwavering. Overall our journey in 2023-24 was very enriching.
