The annual cultural day is a very important day for all schools. The students get a chance to display their talents in front of the audience. PIS, Ambegaon celebrated its 13 th Annual Day last week in a virtual platform.

This year, the Annual Day celebrations were special as for the first time ever, we conducted on a virtual platform that would be cherished by the audience, participants, and staff members for a longer period of time.

The theme for this year celebrations was woven around the title 'Folk Dance' for primary sections, 'Indian Festivals' for middle sections and 'Navras' for higher sections, which was presented meticulously through a spectacular performance by the students of primary to grade X.

The celebrations began with the welcoming speech by the class teachers that followed by annual school report presented by Vice-Principal Ms Gayatri Dande. She presented the report highlighting the achievements of students and the school. She appreciated all the students who won glories and fame for the school even during pandemic. She also appreciated and applauded the incredible work done by the entire staff in teaching & learning through the digital platform.

Then, the cultural show based on folk dance, Indian Festival and Navras began with a huge round of applaud. The props and costumes added color to the celebrations with the synchronized dance movements of our talented students to the foot-tapping music. The explosive intermediary dance performances inspired the parents to shake their leg, and the upbeat choral singing enthralled the spectators present. It was indeed a truly mesmerizing show.

At the end the Vote of thanks was proposed by the class teachers. She thanked all the parents for supporting the school programs and specially preparing their wards

for the dance and musical recordings, and helping their wards to get theme-based

costumes and accessories to be all set for the virtual Annual day this year. The programme ended with the feeling of inspiration and togetherness.

This year's Annual Function proved to be an astounding visual treat that enthralled every spectator connected virtually to the show.
