## 'Podar School Exhibition' sets stage for budding innovators

**Correspondent: Sawali Jadhav**

In order to mark the discovery of the Raman effect by Indian physicist and Nobel Laureate Sir C. V. Raman, Podar International School Baramati organised the science, math and SST exhibition for the students of Grade I to IX on Thursday, 28<sup>th</sup> February 2019. Inspired, encouraged and motivated by the teachers, the budding innovators of PIS Baramati displayed different models and experiments with great enthusiasm and excitement. The event provided a platform for scientific exploration and innovation for the future scientists. The

science department of PIS Baramati worked on these lines to put up an exhibition on 28 February 2019. The exhibits spanned on the three branches of science - Biology, Chemistry and Physics along with Mathematics and Social Science. The programme was inaugurated by Principal Manohar Mahajan. The exhibits presented by the budding innovators were indeed eye openers on various topics related to Green Energy, Innovation in Transport, Communication, Agriculture, Technology, Bio-diversity, Community Health, Environment and Mathematical Modeling.

Students came up with various working and non-working models, charts and magical experiments. Working Models on modes of transports to Hydraulic lifts and Cranes, Models from Importance of Yoga to Wastewater Treatment Plant, Magical experiments like Water Bottle Fountain, Bubble inside bubble, Infinity Mirror and Non-Newtonian fluid created the special attraction. With an endeavor to promote scientific attitude among the budding young researchers, this exhibition was one of its kind. The judges applauded the students for their novel ideas which would help the world to become a much better place to live in. Principal Mr. Mahajan thanked all the participating students and teachers of Science, Mathematics and Social sciences for making this event a success and appreciated their novel projects. The three winners each from the three different groups such as Junior, Middle and Senior were felicitated with certificate of merit.

## Student led conference encourages students @ PJK

**S**tudent led conference is a three-way conference that take the form of a conversation among the student, parents and the

teacher. It offers students an opportunity to share with their growth as a learner to the parents. They showcase their progress and achievement,

and demonstrate a conceptual understanding of their development as an independent learners. Accordingly, on 23<sup>rd</sup> Feb.

students of Jr.KG and Sr.KG took charge of the student-led conference. They shared their learning with the parent. During student-led conference, the teachers remain stationed to support students during their presentation and to brief the parents at the end of the conference. It avails an opportunity for teachers, as well as parents, to see and hear how much the students have learned at the end of the year!
