

## Children's Day

14<sup>th</sup> November is of great importance because it is the birth anniversary of Pandit Jawaharlal Nehru. He was very fond of children despite his hectic life as the Prime Minister of India. In order to pay him a tribute, his birth anniversary is celebrated as Children's Day since 1956. Chacha Nehru said that children are the future of the country; so it is necessary to love and care for them until they become independent. Children's day celebration is a call to everyone to protect their little ones from any harm and save their future for a bright future of the country. Lot many children in our country are forced into 'Child Labour'. They have no access to the modern education and so, they remain backward. They need to raise their status which is possible when every Indian citizen would understand his/her responsibility. They are a valuable asset and future of the country as well as hope for tomorrow. Children's day is the right day to spread awareness regarding the betterment of our children.

## Children's Day

Well, when me and Advay's mother were discussing about Children's Day we went back in our memories as a child. We had a thought that in that era, things were way too simpler. We had the freedom to enjoy our childhood, parents were not loaded with responsibilities to make their child an all rounder. Things used to happen with more of a 'go with the flow attitude,' we used to attend some classes just because our friends went there. We used to spend our hours on ground, go to school walking with our friends. To sum this up we were actually celebrating "Children's Day" every day.

Now things changed massively. I am not saying this change is bad or evil, but we and our kids both are loaded with responsibilities, every one wants an all rounder in the house. In addition to this, there are horrible things like child abuse, kidnapping, trafficking, because of which as a parent we need to be alert all the time.

In my opinion, if we actually wish that our children to enjoy their childhood we must learn to balance the things, not to celebrate 'Children's Day' once but on the occasion of this day we must promise ourselves that we will try to go easy on ourselves as well on our children. Let's try to make everyday a "Children's day". Also I am sure with PODAR JUMBO KIDS it is always possible and easy.

Mr. Shridhar Pendse.

14<sup>th</sup> November is celebrated every year as Children's Day. It is of great importance because it is the birth anniversary of Pandit Jawaharlal Nehru. He was the first Prime Minister of Independent India. He was very fond of children and had great affection for them. He liked to be among children as well as talk and play with them. Children would call him Chacha Nehru. They loved and respected him.

Though years have passed after India's independence but still we have not got freedom from the worst crimes of country in terms of "child abuse and child labour", "Child exploitation" and "Child discrimination". In India, 'Children's Day' will be truly celebrated that day when we can say that each and every child of our country is living a secure life full of joy and happiness and getting all the necessary requirements of life such as food, clothes and shelter along with proper education and financial security.

## Happy Children's Day

The joy of being a child is something else. When you see your baby pictures and then when you see your grown-up pictures, you realize you have traveled far. As a child, you don't have to take any responsibility, but as a grown-up you start beginning to take a lot of responsibility. This changes your character and nature completely. Chacha Nehru was one Prime Minister who was very popular with children. He felt that children are always true to what they feel and they express this innocently and truthfully. Children's Day is one occasion where everyone can tap their inner child to discover surprises. As a child, maybe you must have liked to colour and paint, but somewhere you have ignored this hobby. You could pick this hobby again and paint the world with your colours. Children's Day in most schools is celebrated with a lot of fun activities. Our school also had a lot of activities lined up. I wish every student the joy and innocence of being a child throughout his life.

“Every child is a different kind of flower & all together make this world a beautiful garden.”

It was Pandit Nehru's dream that all the children of the nation must be educated. In memory of this great leader and to honour his love for children, November 14 is celebrated in India as Children's day.

Children truly deserve a day that is dedicated to them. The world may remember him as the first Indian Prime Minister and a skilled politician, but for children he was Chacha their very own loving chacha.

Nehru was immensely fond of being in the company of children. Many of his pictures show him in the company of children enjoying their presence. When children would talk to him, Nehru would listen with keen interest and concentration. It is said that once a child pinned a rose on his jacket and since then he started wearing a rose on his jacket. According to Pt. Nehru, children are like the buds in a garden and should be nurtured with lots of love and care. Proper guidance and education should be the priority for them as they will lead our country in the future and can take it to the greater heights of success.

Furthermore, this is one of the most awaited days of the year in a pupil's life, especially in India, as this day assures us every year that our motherland's future will be in responsible hands. This day was celebrated with lot of pomp and fun in our school, and the best thing was that our teachers made it memorable by organizing a cultural program for us. It included a melodious song, a graceful dance and a skit fully loaded with entertainment and fun. All this was followed by an awesome class party loaded with games and a mouth watering package of snacks. Thus, the day ended being a complete package of fun, giggles and all that a child can expect.

## IDBI Bank Visit

Anything that doesn't help a person in day to day life is of no use. Keeping the future needs of children in mind, a field visit was conducted by PIS, NASHIK. This time the chosen sector was field banking. To make children aware of banking and to give them practical experience of it, the 8th Standard students were taken to visit the IDBI bank (Dwarka Branch)- Industrial Development Bank of India. We were taught about how we can open our bank accounts in the banks by the IDBI staff. The staff very diligently explained the processes involved in opening a bank account & the details required to avail various facilities. The children were awestruck to saw the ease with which one can open a bank account. They too realized the importance of bank accounts & other ID proofs like- Passport, Aadhaar card, PAN card, etc. The generous staff members gave chocolates to all the students who went there. The students were delighted by this icing on the cake in the trip. In today's world banks play a major role in money management & a wise man never loses a good opportunity to invest in the best schemes.

## Let's Go Green

From 20<sup>th</sup> November to 1<sup>st</sup> December the primary section, that is from grade 1<sup>st</sup> to grade 4<sup>th</sup> all the children were educated on how to save the earth by going green and somehow make the earth clean. All this fun learning was done through a special assembly for grade 1 & 2 and a Jump Start event for grade 3 & 4, and the children had a lot of fun. The assembly and the event included distinction between all the activities that would make earth green and those which would not. So, children had to pick up and put all the chits from a huge bowl that included ways to make the earth green and put them in a green bowl. The rest chits which included things that would harm our beautiful planet had to be put in a white bowl. So, all this was a great learning experience for the little Podarites and a step towards saving the earth.

## Children's Day

Children's Day originally began on the second Sunday of June in 1956 by Reverend Dr. Charles Leonard, a pastor from a church in Chelsea, Massachusetts to dedicate the day to children and called it Rose day later known as Flower Day and eventually was known to be Children's Day. As time went by, the United Nations declared Universal Children's Day on 20<sup>th</sup> November as an action of benefit and to promote the welfare of children around the world.

The Secretary General of the United Nations, Ban Ki Moon, declared this day not only to celebrate it but to implement education around the world and to also bring awareness of children who are being abused physically and mentally, exploited, discriminated and even used for labor and trafficking.

Children's Day is celebrated on different days around the world but here in India, we celebrate it on 14<sup>th</sup> November, the birthday of our first Prime Minister, Jawaharlal Nehru or "Chacha Nehru" who emphasized the importance of love and affection for children.

Today schools all over India celebrate this day with cultural programs by students and teachers but one thought we can learn or try next Children's Day is to help the needy or underprivileged with love and affection as our "Chacha Nehru" did and celebrate this day with them!! Happy Children's Day!!

## बालदिन

पंडित जवाहरलाल नेहरू का जन्म १४ नवंबर, १८८९ को इलाहाबाद में हुआ था। उनके जन्मदिन को बाल दिवस के रूप में मनाया जाता है। नेहरू जी का बच्चों से बड़ा स्नेह था और वे बच्चों को देश भावी निर्माता मानते थे। बच्चों के प्रति उनके इस स्नेह भाव के कारण बच्चे भी उनसे बेहद लगाव और प्रेम रखते थे और उन्हें चाचा नेहरू कहकर पुकारते थे। यही कारण है कि नेहरू जी के जन्मदिन को बाल दिवस के रूप में मनाया जाता है। इसे नेहरू जयंती कहें या फिर बाल दिवस, यह दिन पूर्णतः बच्चों के लिए समर्पित है। इस दिन विशेष रूप बच्चों के लिए कार्यक्रम एवं खेल - कूद से जुड़े आयोजन होते हैं। बच्चे देश का भविष्य हैं, वे ऐसे बीज के समान हैं जिन्हें दिया गया पोषण उनके विकास और गुणवत्ता निर्धारित करेगा। यही कारण है कि इस दिन बच्चों से जुड़े विभिन्न मुद्दों जैसे शिक्षा, संस्कार उनकी सेहत, मानसिक और शारीरिक विकास हेतु जरूरी विषयों पर विचार विमर्श किया जाता है।

कई स्कूलों व संस्थानों में बाल मेला एवं प्रतियोगिताएं भी आयोजित की जाती हैं, ताकि बच्चों की क्षमता और प्रतिभा को और बढ़ावा मिले। इस दिन विशेष रूप से गरीब बच्चों को मूलभूत सुविधाएं मुहैया कराने एवं बाल श्रम एवं बाल शोषण जैसे गंभीर मुद्दों पर भी विचार विमर्श किया जाता है।

बच्चे नाजुक मन के होते हैं और हर छोटी चीज या बात उनके दिमाग पर असर डालती है। उनका आज, देश के आने वाले कल के लिए बेहद महत्वपूर्ण है। इसलिए उनके क्रियाकलापों, उन्हें दिए जाने वाले ज्ञान और संस्कारों पर विशेष रूप से ध्यान दिया जाना चाहिए।

इसके साथ ही बच्चों की मानसिक और शारीरिक सेहत का ख्याल रखना भी बेहद जरूरी है।

बच्चों को सही शिक्षा, पोषण, संस्कार मिले यह देशहित के लिए बेहद अहम है, क्योंकि आज के बच्चे ही कल का भविष्य हैं।

बाल दिवस महान नेता पं. जवाहरलाल नेहरू के जन्मदिवस १४ नवंबर को मनाया जाता है। पं. नेहरू महान स्वतंत्रता सेनानी थे। उनका जन्म १४ नवंबर, १८८९ को इलाहाबाद में हुआ था। १५ अगस्त १९४७ को जब भारत स्वतंत्र हुआ तो नेहरू जी भारत के प्रथम प्रधानमंत्री बने। उन्होंने देश को उन्नतिशील बनाया। उन्हें बच्चों से प्रगाढ़ लगाव था। वे बच्चों में देश का भविष्य देखते थे। बच्चे भी उनसे आपार स्नेह रखते थे। अतः उनके जन्मदिवस १४ नवंबर को बाल दिवस के रूप में मनाया जाने लगा।

बाल दिवस बच्चों का पर्व है। यह पर्व देश के बच्चों को समर्पित है। बच्चे देश के भविष्य हैं, अतः इनके विकास के बारे में चिंतन करना तथा कुछ ठोस प्रयास करना देश की जिम्मेदारी है। देश का समुचित विकास बच्चों के विकास के बिना संभव नहीं है। बच्चों को शिक्षित बनाने, बाल श्रम पर अंकुश लगाने, उनके पोषण का उचित ध्यान रखने तथा उनके चारित्रिक विकास के लिए प्रयासरत रहने से बच्चों का भविष्य सैंवारा जा सकता है। बाल दिवस बच्चों के कल्याण की दिशा में उचित प्रयास करने का सुनहरा अवसर प्रदान करता है। बालदिवस बच्चों के लिए महत्त्वपूर्ण दिन होता है। इस दिन स्कूली बच्चे बहुत खुश दिखाई देते हैं। वे सज-धज कर विद्यालय जाते हैं। विद्यालयों में बच्चों के विशेष कार्यक्रम आयोजित किये जाते हैं। बच्चे चाचा नेहरू को प्रेम से स्मरण करते हैं। नृत्य, गान एवं नाटक आदि का आयोजन किया जाता है। बाल दिवस के अवसर पर केंद्र तथा राज्य सरकार बच्चों के भविष्य के लिए कई कार्यक्रमों की घोषणा करती है।
