# VACCINATION DRIVE - 5<sup>TH</sup> APRIL 2022

The Dutch philosopher Desiderius has rightly said that “Prevention is better than cure”. The campaign was based on this principle which was arranged by Podar International School, Pimpri. The camp had been arranged to prepare the students mentally and physically for the OFFLINE SCHOOL.

An overwhelming response was received. The school had made all the necessary arrangements for the convenience of parents and students. Nearly 177 students were vaccinated on this day.

# BACK TO SCHOOL - SPECIAL ASSEMBLY - 7<sup>TH</sup> APRIL 2022

**Special Assembly** undoubtedly holds a significant position out of all the routine activities in school. The first assembly after two long years of silent classrooms infused positive school ethos and affirmed the school identity and aspirations. The first day of school started with a **'New Hope and New Beginning'**. The assembly was prepared and presented by the teachers to welcome their students with a new zeal and enthusiasm. They were the ones who missed all of them the most. The assembly commenced with a **Morning prayer** which is believed to provide peace and serenity to our minds and souls. A thematic song on the occasion was presented by the teachers. The energy of the performance was contagious, which profoundly fascinated the audience. The assembly ended on a positive note with an inspirational message from **Dr. Smita Patterson**, the Principal.
